ALMA MATER

I

Hail, Montezuma,
We with loyal hearts our homage pay;
Proud, working and glorying
In the spirit of the Aztec name.
To thee, San Diego,
And the fond traditions, old and new,
A tribute raise of lasting praise and steadfast faith,
Hail, Montezuma.

II

Hail, Montezuma,
We salute thy glorious destiny;
Far seeing in coming days
Men and women strong who live in truth,
To thee, San Diego,
And the black and scarlet we'll be true.
An echo comes of Aztec drums through all the years,
Hail, Montezuma.
